

The Kingswood School Financial Policy

TKS relies on registration fees and tuition payments for operating expenses. Prompt payment of monies enables TKS to maintain its program. Payments include a Registration Fee and Tuition Payments which are divided into nine (9) equal installments. Payments are due as indicated on the schedule below. The payment schedule is based on a **child's commitment to one full year of school. All payments are non-refundable and non-transferable.** A \$100 Registration Fee is due with your application. Applications will be processed only if the application is complete and the Registration Fee is included. Your first tuition payment is due May 1st which reconfirms your enrollment held by your registration. If the first payment is not received by May 1st, your enrollment is forfeited.
